

Circle Domino Game

OBJECT: Build the Panwapa sing-along circle!

BEFORE PLAYING:

- Print the Panwapa domino game cards.
- Colour or decorate them however you'd like.
- Cut along the thick lines.

HOW TO PLAY:

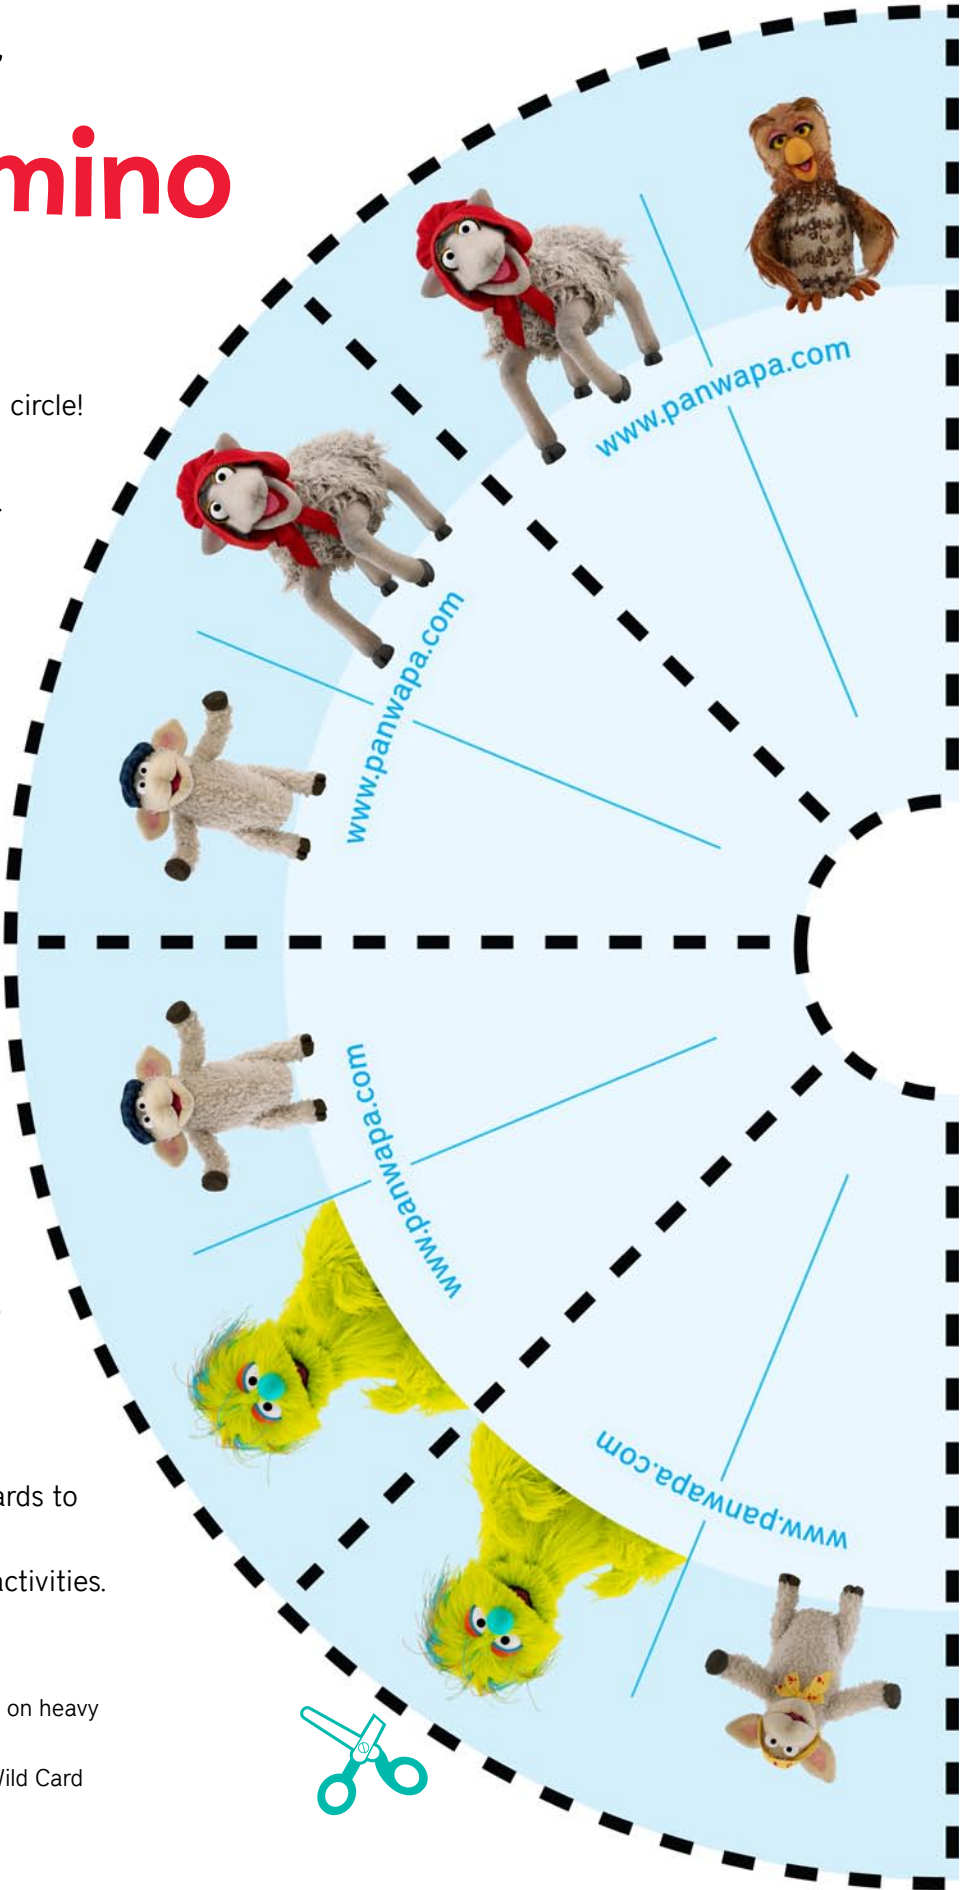

1. Deal the domino cards to each player.
2. The youngest player puts down a card. Play continues in any order you wish.
3. The next player matches a Panwapa friend from his or her card to one of the cards in play.
4. If a player has no match, he or she can choose a Panwapa Wild Card and follow the activity on the card. When he or she is finished, place the card in the centre of the circle.
5. Continue play until you've built the circle. The player who runs out of cards first can lead a sing-along of his or her choice!

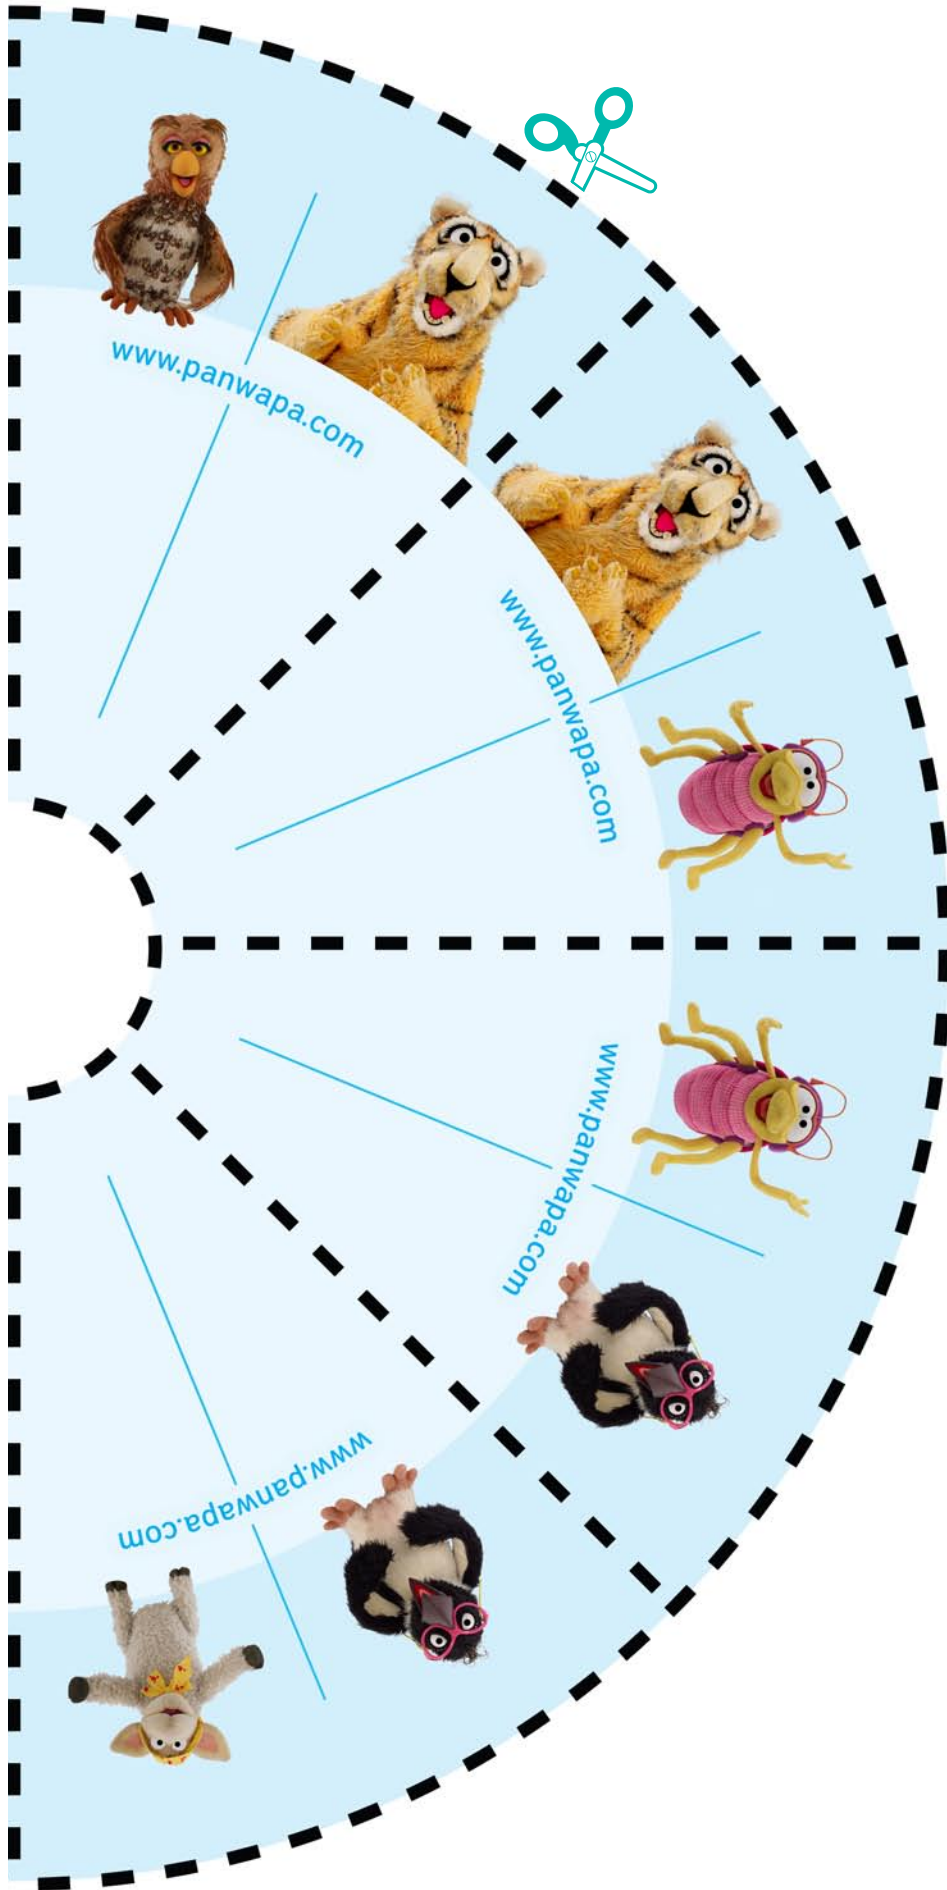

FOR EXTENDED PLAY:

- Print two sets of Panwapa domino cards to build a bigger circle.
- Invent your own Panwapa Wild Card activities.

NOTE TO ADULTS:

- For more durable game pieces, print dominoes on heavy paper, or laminate them.
- Older children might enjoy more challenging Wild Card questions, such as "What is an island?"

Panwapa Wild Cards

Close your eyes and name 3 things in the room around you.

www.panwapa.com

Name your favourite food. Can you name the favourite food of someone else in the room?

www.panwapa.com

Name 3 things you might bring with you to Panwapa island for a visit.
